Horror Realm™ convention adds guests, sponsors and events

Pittsburgh, PA – May 2, 2009 – Horror Realm™ is pleased to announce the following updates for its convention in Pittsburgh on September 18-20, 2009:

- **Tiffany Shepis** (*Tromeo & Juliet*, *Nightmare Man*) and **Robert Z'dar** (*Maniac Cop*, *Soultaker*) have joined the guest list which also includes writer/producer/director **Jeff Lieberman** (*Squirm*, *Blue Sunshine*, *Just Before Dawn*). Please visit the Guests page of the web site for a complete list.*
- **Library of the Living Dead** has signed on as the main sponsor of the Horror Writers Program. The program includes discussion panels featuring award-winning, established and emerging horror authors.
- **Permuted Press**, in addition to sponsoring the appearance of six of its authors, presents the **Horror Realm 2009 Apocalyptic Flash Fiction Contest:**

We love the apocalypse, and this time we want it short and sweet. Give us your vision of the end of the world--or just before, or just after, you get the drift--in 500 words or less. Entries will be judged by a crack team of Permuted Press authors with prizes awarded to the top 3 stories. Check the Horror Realm web site for details

- Bram Stoker award winning author **Jonathan Maberry** (*Ghost Road Blues*, *Zombie CSU*) and horror novelist/screenplay writer S.G. Browne (*Breathers – A Zombie's Lament*) will appear for panel discussions and book signings courtesy of **Joseph Beth Booksellers**.
- Contests for fans – details coming soon at the Horror Realm website.
 - Best Horror Tattoo
 - Best Horror Costume
 - Horror Trivia hosted by Tim Gross of Bastards of Horror
 - Jello brain eating contest
 - Art contest – taking a cue from the *Vader Project*, amateur artists can express their creativity using the iconic horror hockey mask as a medium.
